HALIBURTON, ONTARIO

THURSDAY, APRIL 23RD, 1964

Established in 1882 as the
Minden Echo & Haliburton Record

The New Community Centre

On Saturday, May 2nd the voters of Dysart Et Al will be called upon to express their wishes as to the new proposed artificial ice and recreation centre to be constructed in the Village of Haliburton.

According to a rumour being circulated the new building will supply a hockey cushion only. Said rumour is far from the truth as a decent hockey ice surface is only one of the attractions which the new community centre will provide.

From what we can learn ample room will be available in the centre for sport activities of every description and if this arena continues to develop as we hope it to do, it should be built with the idea of year round operating being a mecca for those who like to take part in, or watch sports of various kinds. The auditorium overlooking the ice surface will be enclosed with unbreakable glass enabling our older folk to watch skating, hockey or carnivals in comfortable warm atmosphere. In looking over proposed plans of the new building we note that instead of the unspeakable toilet conditions which exist in the present arena, we will be provided in this respect with modern facilities in keeping with the times.

As readers are well aware of

by this time, our old arena after many years of service has reached the stage where it is no longer safe and if we don't build this year we will lose about one third of the cost which will be met by centennial grants and the boys and girls of this area will be left without recreational facilities next winter.

One lady who was definitely in favour of the new centre was highly disturbed when informed that her taxes were liable to increase by forty dollars yearly. Said lady was greatly relieved when told that in her case the tax increase would be less than sixty cents. A tax hike of a little over a mill is surely a small price to pay for the enjoyment and safety of our children.

Fenelon Falls Rink Wins Minden Spiel

The first April Showers Bonspiel held recently at the Minden Curling rink was a great success. Top prize went to Jerry Palmer and his rink from Fenelon Falls while a former Minden resident who now lives at Orillia and his rink won second prize. Eight rinks competed in the bonspiel.

B.A.C. Conference Held Sunday Was A Great Success

The Venerable Desmond C. Hunt, Archdeacon of Kingston, said on Sunday, April 19th that the time may be coming when the churches will be closed and the work of the ministry will be carried out in people's homes. He was addressing the second annual Conference of the Brotherhood of Anglican Churchmen held at Bonnie View Inn at Haliburton. The speaker has had a great deal of experience in conference work. Recently he conducted a conference of some 200 men from all over the Diocese of Toronto which took place at the Guild of All Arts, Scarborough.

Archdeacon Hunt told the gathering of how God often revealed great truths concerning Himself and men from the mountain-top. During the day he took the men up to the top of three mountains... The Mount where Jesus preached his great sermon, the Mount of Calvary, and the Mount of the Ascension. From these vantage points he endeavoured to 'sharpen our spiritual vision'. Mr. Hunt told the gathering of 46 men that it is time that we started to tidy up and see where we stand in our relationship with God.

The day opened with Holy Communion followed by breakfast. Throughout the day the men were divided into five groups for discussions on various matters coming out of the talks by the Archdeacon. Each group, after a twenty or so minute discussion, reported back to the whole group on their findings. One of the topics for consideration was this comment recently made by a layman to the speaker: "I don't like the Anglican Church service. It is always talking about sins. Why not talk about man's goodness?" One group suggested that a man might be praised and applauded all week by the clubs and organizations he attends, only to find that the Church is calling him a sinner on Sundays. The Archdeacon explained that there was something hollow, unreal, and superficial about always patting your brother on the back. Our condition before God when it is made known is that we are sinners who need to be forgiven. This is the bad news of the Christian Gospel which must be realized first. Then the good news of the Gospel is that

man can find forgiveness, like the Prodigal Son, by turning to God through Christ.

In the closing session the challenge was given to those present to Come unto Christ and receive this forgiveness and then to Go back to wherever they had been placed in the world and share their God and their new life with those around them.

The conference was a great success. The leader was an excellent speaker, sparked by a sense of humour. Everyone went home with the feeling of being a better man after attending this great day. Those present are looking forward to next year's conference.

Two Arrested For Breakins

LINDSAY (ENS) — George Adams and Garry Johnston, 17, of Bobcaygeon, have been arrested and charged with breaking, entry and theft of Green-bay Road cottages, Bobcaygeon Police Chief Loris James said recently.

They were expected to appear in magistrate's court later this week.

Provincial Police at Fenelon Falls are investigating thefts from cottages on the Burnt River near Kilmount. Const. James Plumtree said Monday that entry was gained by kicking in front doors. He said it is not yet known what articles are missing.

Minden Curling Banquet This Fri.

The Minden Curling Club will hold their Annual Banquet at Deer Lodge this Friday night, April 24th.

The evening will get underway at 6 p.m. with a social hour followed by dinner at 7 p.m. The winning rinks of the past season will be awarded trophies. Entertainment and dancing will follow. Tickets are selling at \$2.00 per person.

Dr. Koegler To Speak At Haliburton

Dr. Koegler from the London Psychiatric Research Institute will be the guest speaker at a banquet to be held in the Haliburton Legion Hall on Friday evening, May 1st at 6:30 p.m. Dinner tickets are selling for \$2.00 and the evening is being sponsored by the Haliburton District Association for Retarded Children. Don't fail to hear this man!

Dr. Koegler was born at Saxony, Germany, and he came to Canada at age 2 years. Dr. Koegler has a family of five children. His home town was Waterloo, Ontario.

Medical Training: University of Western Ontario Medical School, Graduated 1944; 1 year internship Victoria Hospital, London; Royal Army Medical Corp for 2 years stationed in the Kingston area as Medical Officer of Health.

Letters To The Editor

Dear Editor:

On Monday last the Community Centres Board held their monthly meeting. The proceedings of this meeting are no doubt reported elsewhere in your publication. Among the groups present at this meeting was a delegation from the Dysart Public Library Association Board.

The Library has been spoken about repeatedly in connection with the proposed Municipal Arena project. It is high time to clarify the situation and make sure that the voters on May 2nd have a clear vision of the issues.

The Library Association is a group of individuals, who operate a library to serve the public. It is not municipally operated or owned although at the discretion of Council a grant is given annually to help with its operation.

The Board of this Library, elected by the members, have repeatedly asked Council to provide adequate quarters to serve the municipality. In January, after many, many years of their effort the Council looked with favour on the building of a Library behind the Fire Hall using Centennial grants. In February an architect was asked by Council to submit plans for a library.

Since then things have grown more complex with the desire being evidenced that a new Arena be erected. Since the scheme called for the use of Centennial grants, some have attempted to include the Library in the project.

However, to be quite frank, neither the Community Centres Board nor the Library Board are enthusiastic about the idea. Their needs and purposes differ. This does not mean, I repeat, does not mean, that the Community Centres Board is against a Library Building, nor does it mean that the Library Board is against an arena. As a matter of fact, the members of the Library Board who were present at the meeting stated their favour of a \$110,000 arena. These members constitute a majority.

Since our Council members are men of honour, the Library Board is sure that they will keep their word and erect a Library Building to serve our community.

In the end, the matter is to be decided by the votes.

Yours sincerely,
REV. NOEL McNEILL,
Chairman of
Dysart Library Board.

137 Attend Curling Banquet At Deer Lodge

One of the highlights of the sporting season took place on Saturday night last at Deer Lodge when the Haliburton Curling Club held their annual Banquet. Over 137 members from the three clubs, Ladies', Men's and Mixed, were on hand for an evening of fun and entertainment.

The evening started with a social hour followed by dinner. At the head table were Mr. and Mrs. Don Iles, Miss Betty Hodgson, Mr. and Mrs. Lester Walling, Mr. and Mrs. Jack Robertson and Mr. and Mrs. Gerald Dawson.

Following the dinner, presentation of trophies were made to the winning rinks of the past curling season. In the men's division, Frank Anderson and his rink received a trophy as league schedule winners while Gerry Dawson received a trophy as skip for his rink which won the Top Division Play-offs. Cec Bailey was presented with the trophy in the absence of skip Don Johnston for winning the Second Division Play-offs.

In the Ladies' league Gladys Kingston who skipped her rink to the top of the regular schedule received a trophy as well as Marilyn Holland who skipped her rink to the top of the league play-offs.

In the mixed league the following trophies were presented to Mervyn Elstone and his rink for winning the league schedule while Lester Walling and his rink won the top division play-offs and Russell Woodcock and his rink for winning the second division play-offs.

Following the presentations, the Ladies' club and the mixed clubs held separate meetings for an hour. The Men's club will meet at a later date.

The Mixed Curling Club elected the following officers for 1963-64: President - Bruce Henry, Vice President - Dorene Elstone, Secretary - Mervyn Elstone, Treasurer - Ken Wilson, Committee - Marg Walling, Wendy Hicks and Martyn Best.

The Ladies' Club elected Pauline Brohm - President; Kel Anderson - Vice President; Secretary Helen Davidson.

The evening concluded with dancing.

John Logie Wins Curling Club Draw

For the past several weeks the Haliburton Ladies' Curling Club have been selling tickets on a set of silverware. The draw was held at the Curling Club's banquet at Deer Lodge last Saturday night. The winner was JOHN D. LOGIE, R.R. 2, Haliburton with ticket no. 365.

The Weather

Recorded by John Elstone
Period from April 15 to 21
Maximum temperature 76 degrees on April 17; Minimum temperature 19 degrees on April 16; Rainfall .30; Snowfall, trace only.

LETTERS to the EDITOR

April 18, 1964.

Mr. Berkley Feir,
Haliburton, Ont.

Dear Sir:

In reply to your request for me to write a letter stating my views, it is my pleasure to do so.

As a resident of this large Municipality of Dysart et al it has been a duty and a privilege to serve on various Boards and to take an active part in community and political affairs, and no commendation or criticism is worthwhile unless it is of a constructive nature.

A few years ago in order to get proper representation in each area of the Municipality, we divided up into Wards for voting purposes only. This has led to a situation whereby we have become more conscious of our Ward in which we live, and have begun asking questions? Do we get a fair return for our Tax dollar?

We just cannot be happy in our present set-up. The town needs Waterworks, New Arena and Community Centre, New Sidewalks, the dust swept off them and Liquor to quench the thirst.

Those living in the country should not dictate to them, nor should they dictate to us in the Rural areas.

Our needs are more surfaced roads, Parks, local Community Centres, a local work crew and the best possible co-operation with sub dividers who are developing our Lakes and Rivers. In turn these new comers should be welcomed into our midst and in due time they should have representation on the local Council as shareholders of the Townships.

Turning now to the Arena question, you mentioned the fact that the most important thing was that ALL children be given the same opportunity to learn to skate, and the ideal would be a rink in each com-

munity. A suggestion here would be a hard surfaced area in the School yards, which could be used for volley ball, basket ball, tennis etc. and in winter a base for the ice surface.

My objections in the present issue are as follows:

1. The Community Centres Board should be taken to task for letting the present Arena fall into disrepair so easily. The Sign for instance hasn't been painted for years, cement pads under the posts would also have been a wise move.

(Continued on Back Page)

50 Women Attend Retarded Childrens Meeting

On Friday evening, April 10th over 50 women attended a special meeting of the Joan F. Kennedy Branch of the Haliburton District Association for Retarded Children, at the home of Mrs. W. C. Bidgood, Wilberforce. After a brief introduction and welcome, presentations were made to Mrs. A. D. Miller, Public Health Nurse, Rev. Brubaker and Mr. Shantz in recognition of their services to the retarded of Haliburton County. The speaker of the evening was Dr. Frank, who is in charge of the Ontario Hospital School in Smith Falls. Dr. Frank gave an informative and interesting talk on some of the different aspects of mental retardation.

The ladies also enjoyed a vocal solo by Mrs. Bidgood, accompanied by Mrs. K. Cameron. During the social period which concluded the evening interested mothers had a chance to talk with Dr. Frank and also with Miss McCauley, counsellor for parents of retarded children, who accompanied him.

BONANZA KINSMEN BINGO

Commencing Thursday, April 23 and every Thursday until May 21, 1964. Jackpot of \$100.00 MUST be won.

18 Regular Games totalling \$100.00

PLUS Share The Wealth

Plus Find a Fortune (a chance to win from \$5.00 to \$50.00)

GAME INTERMISSION

Question Quiz for lucky ticket winner for \$10.00 or Consolation Prize

BUY OUR ECONOMY PACK

18 Regular Games plus Jackpot game only \$2.00

Lap Card now only .50c

Commencing May 28th Jackpot will depend on attendance (e.g. — 200 people in attendance - \$200.00 Jackpot)

GAME TIME 8:30 P.M.

MINDEN COMMUNITY ARENA

PROCEEDS FOR WELFARE WORK

Letters to the Editor

The Editor:
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

I was pleased to see the article in your recent edition signed by B. Napier Simpson Jr. on the matter of brush control.

This article was timely and the subject is of importance to all residents.

During my term as Reeve of Stanhope (some 18 years) were often complimented on the beauty of our road drives around the many lakes in the municipality, also some constructive criticism, both comments were appreciated.

The Township Roads Branch of the Department of Highways insist now on a full 66' right of way on all roads. I do not agree with this policy. It leaves too great an area of "no man's land" between the travelled road and the boundary from road way to private property.

This creates a grave nuisance. I recognize the necessity of room for pole lines, etc., but a great many of the lines do not follow the road for many miles. Would a system of keeping the road sides cleared of debris be our answer? Many road side areas could then be kept clean by machine cutting yearly. This might be the answer, of course there are many rough sections to which this would not apply.

In closing I would like to congratulate the council on their definite stand on the question of sanitation. We recognize your tough position and hear of some criticism. Keep up this good work.

Thanking you sir for space,
CLAYTON P. ROGERS,
Past Warden of
Provisional County of Haliburton

Mrs. Bannon Sr. is a patient in Ross Memorial Hospital, Lindsay. We hope that she regains her health and be able to be about again soon.

Mr. and Mrs. Danny O'Neill have returned home after a trip to Nassau in the Bahamas. While there they attended a conference of I.G.A. dealers from all over Ontario. They had a fine trip and were favored with excellent weather during their stay on these Caribbean Islands.

Mr. Fred Neimann attended the sessions of the Grand Orange Lodge of Eastern Ontario which were held in Lindsay last week.

Lands And Forests Report

Now that spring has arrived farmers will soon be turning their cattle out to pasture, which on some farms includes the woodlot.

The practice of permitting cattle to range through a woodlot for shade and pasture is unsound from both the agricultural and forestry standpoints.

The Ontario Royal Commission on Forestry in 1947 stated: "The most widespread abuse of forests is that of utilizing them as pasturage. If this practice alone could be eliminated, more than half the battle to save Ontario's woodlots would be won. Forestry and pasturage cannot succeed on the same ground."

Experiments conducted by various Agricultural Departments have shown "that one acre of improved pasture produces more than ten times as much feed as one acre of woodland, moreover the quality of the latter is much inferior to that of improved pasture".

While grazing in a woodlot, cattle do a certain amount of browsing too, showing as they do so, a marked preference for some of the most valuable tree species, i.e. maple, elm and basswood; such species as hawthorn and hornbeam (ironwood) are seldom touched.

How much of a sportscar should a family car be?

About as much as the Volkswagen 1500 TS, if you want your driving to be enjoyable.

Some cars look like sportscars, but they don't act like sportscars. The VW 1500 TS does. Independent torsion bar suspension on all four wheels and low centre of gravity help it hold firmly to any kind of road.

Like a sportscar should.

It has a floor-mounted stick with 4 synchromesh gears to shift. Which gives you the satisfying feeling of being in complete control in all driving

conditions.

Like you should in a sportscar.

And this year we added more horsepower and a second carburetor.

Now you can accelerate to 50 mph in just 12 seconds.

Yet, this more powerful engine is so efficient you can expect around 35 miles to a gallon of gas. So it saves you money.

Like a family car should.

In front: adjustable bucket seats for you and your wife. In back: room for 3 more adults (or equivalent in children).

So it's comfortable for long trips.

As a family car should be. That's one reason we called it Touring Sport (TS).

Track and Traffic Magazine recognized the TS for "its engineering superiority, quality of construction, aesthetics, total comfort, safety and performance". They've just given it their Golden Wheel Award.

You might say the Volkswagen 1500 TS got what's coming to it, because it's got so much going for it.

JEASON MOTORS Norland Tel: Coboconk 454-3932

News Notes From The County

LINDSAY (ENS) — John Chalk, 60, of 81 Kane Ave., Toronto, Monday was fined \$100 and costs by Magistrate C. W. Guest for careless driving.

He was charged by OPP Const. Jean Deslaurier of Cobocok detachment after a one-car accident March 7 at the Highway 35 - 35A intersection near Fenelon Falls.

Mr. Chalk said he saw no stop sign and said he saw no check-board sign near the intersection. He said in order to stop the car rolling he travelled across the highway and went through a wire fence before coming to a rest in a field. Damage to the car was estimated at \$1,000.

He denied telling the officer that he was travelling at 70 mph before the accident. He also denied telling the officer "I guess I was going too fast".

Crown attorney Lorne Jordan argued that Mr. Chalk's own admission that he did not see the signs was an indication he was travelling without due care and attention.

On Friday night, May 15th and all day Sunday, May 17th, the Rev. and Mrs. Jim Hicks, missionaries home on furlough from South Africa will be at the Minden Gospel Church.

As a result of the great interest shown in the recent meeting regarding the proposed all year round resort at Outlet Bay, a group of citizens invite you to a public meeting in the Legion Hall, Haliburton on Monday, April 27 at 8 p.m. for the purpose of organizing a Development Committee.

How prevalent is Mental Retardation? It is the most prevalent of all child disabilities. It handicaps twice as many children as polio, cerebral palsy, rheumatic heart disease and blindness all together. Three out of every 100 children born are mentally retarded.

The Haliburton Rob - Mar Beauty Salon are moving and their new location will be in the Irwin Building across from Boice Motor Sales. The opening date has been set for April 28th.

This Friday, April 24th at 8 p.m. Mr. Ken Whitney will present colour slides on "A Visit to Death Valley" and "Scotty's Castle" at the Maple Lake United Church.

The Minden Rod and Gun Club held a shooting match on Sunday last.

Bronchopneumonia may be caused by many things — by bacteria, by a virus, by fungi, by breathing in poisonous fumes, by a physical injury, or by animal parasites, to name only a few of the possible causes.

Damage was estimated at \$800 in a four-car crash on Highway 35 just north of Lindsay recently. Lindsay OPP said drivers were Beatrice McNobb, Cameron, Carl Wray, R.R. 3, Fenelon Falls, Doreen Shoshenberg, Fenelon Falls, and Frederick Kay of Norland.

A week after young Junior went to Camp, his parents got a frantic note: "Please rush some packages of cookies, cake, candy, bananas, jelly and peanut butter. All they eat here is breakfast, lunch and dinner".

The Annual Spring Formal "Stardust" was held at the Haliburton County District High School on Friday night.

Now the big thing is split-level homes. I can remember when 20 years ago if you lived over a garage you kept it to yourself.

May we remind you that the facilities at the new Legion Hall are available for rentals. For complete information, contact Marshall Leighton, secretary-manager at Haliburton.

Congratulations this week to the Haliburton County boys who are playing hockey with the Lindsay Junior Lions team. They are Rick Bain, Jim Schreffle, Craig Gartshore and Paul Yearwood. The Lindsay team are in the all Ontario finals and the above mentioned players have been a big asset to the club.

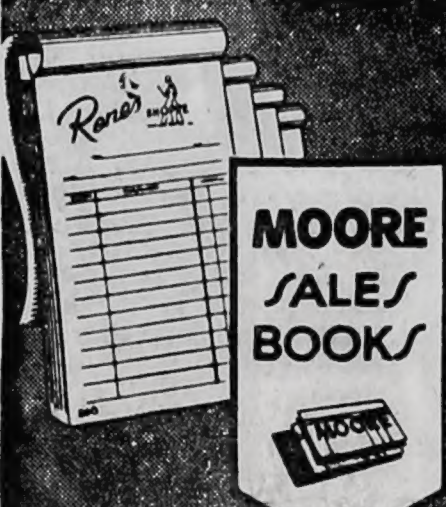

Sidewalk construction is now underway in Haliburton. At the present time workmen are busily employed putting in a new sidewalk in front of the Legion Hall and also a new walk is being put in from Glenn Austin's residence to the back of the Star Cafe.

Dr. W. C. Blackwell of Lindsay has recently been appointed coroner for the Counties of Victoria and Haliburton. He replaces Dr. M. E. Gorman and Dr. L. V. Shier who has recently retired.

Lindsay Royal Canadian Legion received publicity in the Legionary, national publication of the Canadian Servicemen's Association in the April issue.

The Brotherhood of Anglican Churchmen Conference held at Bonnie View Inn on Sunday was a great success.

A banquet sponsored by the Haliburton District Association for Retarded Children will be held at the new Legion Hall at Haliburton on Friday, May 1st. The guest speaker will be Dr. S. J. Koegler of the London Children's Psychiatric Research Institute.

HALIBURTON COUNTY ECHO

The Rotary information executive of the Haliburton Rotary Club conducted a quiz at the weekly meeting held last Thursday.

Private cottage sites on Crown land in the Lindsay District are being made available by registered plans of subdivision, the Ontario Department of Lands and Forests announced recently.

In a monthly report reviewing the policy of the department towards the disposition and use of Crown land, district forester A. E. Walroth said that the sites were being made available after suitable amounts of lakeshore property had been reserved for public use. He said the Public Lands Act provides that a minimum 25 per cent of all lakeshore must remain in public ownership.

WEST GUILFORD

(Intended for Last Week)

Mr. and Mrs. Bradley Emerson and family of Donald spent the week-end at the home of Mr. and Mrs. C. Sawyer.

A banquet will be held in the basement of the Anglican Church on the 17th in honour of our hockey teams and the men who so kindly donated their time in care of the rink.

Mr. and Mrs. Jack Boss have returned to their home after spending the winter months in Florida.

Mr. and Mrs. M. McGuire and Mr. and Mrs. C. Sawyer were business visitors in Oshawa.

The recreation club are sponsoring a teen time dance in the near future. Watch for posters. Community teens only.

An Evangelist missionary from Brazil, Mr. Harold Meads, took the service at the Gospel Chapel Sunday evening. He also showed slides on Missionary work.

Mr. Holly Sisson is in the Montreal Neurological Institute, undergoing test. It is the hope of the community he can be cured, as that foolish grin is always missed.

A LAMENT TO THE GOLDEN AGE

By Sam Boyce

Our book of life is ending and the pages left are few
We were all happy children when this century was new.

We were rough and rugged children and lucky to be alive
It was the brews of bark and roots that helped us to survive

For colds we were given goose grease and onion poultice too
Black cherry bark and catnip a ne'er forgotten brew.

Dandelion roots and goldthread was made into a pill
And this we downed three times a day to either cure or kill.

Spruce gum was then our peppodent and my friend it is the truth.

When we hollered with a toothache, the blacksmith pulled the tooth.

Sulphur and molasses, ice camphor on a string
A dose of salts and some pumpkin seeds our medicine in the Spring.

The children then went barefoot, they had no shoes at all
From about the first of April till the snow flew in the fall.

Black flies and mosquitoes, ants, bumble bees and snakes
Wasps and angry hornets caused many pains and aches.

Election days were holidays, the men turned out to vote
They knew as much about politics as McCarthy's billy goat.

The housewife then stayed home to work as was the given rule
They sewed patches upon patches and we wore the patch to school.

So if you children of today think you are not being treated well
Think of your dear old grandparents who spent their teens in Hell.

And now our term is nearly up according to Nature's gauge
So we'll spend our few remaining years in the club of the Golden Age.

Sent by Miss Goldie Boyce, Tory Hill, Ontario.

FOUR OPERATORS

SUGAR and SPICE

By Bill Smiley

If ever you decide to do some research on the lower forms of wit, I can tell you how to go about it. Just get yourself a black eye.

I had a doozer recently. My wife gave it to me. All right. Not that way. She was sitting in the car, waiting for me to carry the groceries into the house through the rain. Just as I bent and reached for the car door to open it and ask her if that was all, she opened it smartly from the inside to ask me why I hadn't brought out an umbrella.

When the door nailed me in the eye, I thought I was a goner. My wife shrieked and ran straight into the house to see whether my "loss of limb or eye" accident policy was paid up.

Within a few minutes, the eye was the size and color of a bartender's beeper. But by the time we'd finished anguishing about whose fault it had been, it was obvious that I'd live.

We didn't have a piece of steak, and if we'd had, I doubt that it would have been sacrificed. But the Old Girl, bless her, dug out some hamburger that was going a bit blue, and made me lie down with a big hamburger poultice on the injured optic.

Right off the ice, it felt pretty good at first, and I dropped off to sleep, moaning but brave. During the night, the bandage worked loose, and when I woke in the dark, I thought the eye had fallen out. But it was only hamburger, all over the pillow.

Next morning, the orb looked like a purple golf ball. We patched it up as best we could, and I set off to face the wits.

The comments were hilarious. They ranged from the simple, dry brilliance of "Hoo hitcha?" and "Forget to duck, eh?" to the coy, insinuating, "I knew she'd catch up with ya some day." They ran the scintillating gamut from the inevitable, "I suppose ya ran into a door" to the ineffably humorous sally, "Meet the former welterweight champ of the Smiley household."

I came back with some real funnies myself. "My wife," I replied. "Footwork isn't what it

used to be." I admitted. "Yotta see the other guy," I quipped. "I can go along with a joke as well as the next bird."

But after a while, in fact if I remember rightly, it was just after the fourteenth "Hoo hitcha?", I began getting a little sore. I mean, fun's fun, you know, but, after all.

So when the next joker made his move, I told him, dolefully, that a maiden lady who didn't like my column had thrown acid in my face, and that I'd never have the sight of it again. He turned green.

My next customer was a woman, who tilted, "That'll teach you to write things about your wife in that column of yours." I gave her a gentle, sad look from my good eye, and suggested that she not let the divorce alienate her from my wife. I left her with her mouth open.

I quickly disposed of an elderly lady, strong in the temperance movement, by informing her the injury had been received from my young daughter, when she clubbed me on the eye with a half-empty whiskey bottle. It's good sport. Next time the old trouble-and-strife hangs one on you, Jack, you'll know what to do.

Letters to the Editor

April 14, 1964

The Editor:
Haliburton County Echo,
Haliburton, Ontario.
Dear Sir:

I am delighted to send to you and your newspaper the sincere appreciation of the Ontario Society for Crippled Children for the generous support you have given to our Easter Seal campaign.

Our Annual Appeal to the public is simply a letter inviting their financial assistance. With your help in reminding and encouraging a response, our campaigns have been successful.

I send this expression of thanks on behalf of our campaign volunteers throughout Ontario . . . and especially for crippled children.

Sincerely yours,
J. C. Preston, Chairman,
Provincial Easter Seal Com.

CHURCH NEWS

FROM THE PASTOR'S DESK

There are some questions in the field of religion which we cannot answer and which we need not answer, as for example: "When will this world come to an end?" and "Why are some saved and others not?"

There is one question in religion, however, that we must consider and answer correctly. "What think ye of Christ?" Your answer to this question, found in Matthew 22: 42, involves your eternal destiny. Although this question was first asked some 2,000 years ago, it has lost none of its importance.

Many people of our day despise and disbelieve Jesus. There are some who hate and regret Him. Some men believe He was simply Joseph's Son. Others think He is a hindrance to the progress of our civilization. And there are even some who vainly think that Jesus never even existed!

But there are still thousands of persons who firmly believe in Jesus with all of their hearts. In every station of life we can find people who are convinced that Jesus is our God and heaven-sent Redeemer and Saviour. When Sir James Simpson, the eminent scientist, was asked about his greatest discovery he said that it was "that I am a sinner and that Jesus Christ is my Saviour."

What think ye of Christ? The Bible reveals Him to be the Son of God who came to seek and to save the lost, giving His life a ransom for many. May we be able to say in faith "We believe and are sure that Thou art that Christ, the Son of the living God".

Hi-C CONFERENCE HELD AT BELLEVILLE

A group of young people from the United Church in Minden and Haliburton attended the Bay of Quinte Hi-C Conference held over the week-end at the Tabernacle United Church in Belleville.

The main speaker for the conference was the Rev. J. Haig, B.A., B.D., who is the principal of Albert College at Belleville. The conference Dean was Rev. George Richardson, B.A., conference Hi-C Councilor.

The group arrived in Belleville on Friday evening. The conference on Saturday was a wonderful experience for all who attended and the discussions were thoroughly enjoyed by all present. On Saturday afternoon the group took time out to go bowling and shopping. On Saturday night everyone joined in for a special dance.

On Sunday morning a wonderful service and communion was held. And after lunch the local boys and girls left for home. The conference leaders had hoped for a gathering of about 400 and they were quite delighted when 498 young people registered.

The Minden group was made up of Barbara Brown, Teresa Strong, Robert Henlihey, Richard Harding, Stephen Barry, Larry McKnight and Mrs. Grace Ceburn. From Haliburton the following young people attended: Susan Sedgwick, Susan Prentice, Michael Stinson and Roger Dart.

The Reverend and Mrs. Mervyn Everall and their daughter Diane, formerly of Haliburton, will leave Toronto on Tuesday, April 28th for the town of Fort Nelson in northern British Columbia. Mr. Everall is presently the assistant minister at St. John's Anglican Church in West Toronto. Mrs. Everall is the former Myra Roberts and lived in Haliburton until moving to Toronto two years ago. Mr. and

Mrs. Lee Roberts plan to accompany the Everalls on the 3,000 mile trip to help the young family settle in to living in a frontier town.

Many local people will remember that Mr. Everall was called to study for the ministry of the Anglican Church while he was living in Haliburton. He then assisted as a student the Revs. David McGuire and John Taylor. Mrs. Everall operated a hair dressing business for several years as a means of supporting her husband while he attended the University of Toronto and Wycliffe College.

For the past two years Mr. Everall has been active in youth work in Toronto. He was the originator of a young people's coffee shop in the parish house of St. John's West Toronto. The coffee club idea has caught on and another one called "The Fragments" has been opened at St. Mary's Church, Richmond Hill, under the direction of the Rev. James O'Neil who was rector of Haliburton some years ago.

The Everalls are looking forward to their ministry in Fort Nelson. The town is called "The Lost Frontier" of British Columbia and is located at Mile 300 of the Alaska Highway. At one time it was a fur trading post and was burned by the Indians and the inhabitants slaughtered. Ten years ago it had a population of about 500, most of which were army personnel who were responsible for maintaining the Alaska Highway. Today the town has a population of nearly 2500 and is growing rapidly. Natural gas has been discovered in large quantities within 30 miles of the town. This has sparked the building of a 60 million dollar pipe line from Fort Nelson as well as a large gas scrubbing plant in the town itself.

Fort Nelson is suffering from growing pains. There are many old shacks that need replacing with modern housing. Many of the families in the town live in trailers. However a large modern hospital and a telephone centre have recently been built and a central water and sewage system has been installed. At present the town is made up of motels and gasoline stations. There is a large airport and a maintenance camp for the highway crews. The company that is building the gas scrubbing plant is planning to build some houses for its employees.

Mr. Everall will not be confined to the town of Fort Nelson only. He will be ministering to homes and small communities along a 500 mile stretch of the Alaska Highway. There is no organized pattern of work so that he will have to undertake much that is new. The area is quite cold during the long winter and the highway driving is extremely hazardous at most times of the year. However, he does feel that God has called him to this new and exciting missionary venture and he answers the call with vision and faith.

The Everall's will arrive in Haliburton on April 28th to pick up Mr. and Mrs. Roberts. They will then travel for seven days by car over the northern route of the Trans-Canada Highway. They will make stops at Sault Ste. Marie, Port Arthur, Winnipeg, Regina, Edmonton and Dawson Creek. Mr. Roberts is looking forward to the trip and is taking along hunting and fishing equipment. He has recently retired from the Ontario Department of Highways.

A Matter of Opinion

Utility, or beauty? This is one of the oldest questions in the history of mankind. Every day, someone has to strike a balance between the usefulness of an article and its aesthetic value.

No one could deny that modern subdivisions serve a vital role, but whether they are things of beauty which will provide everlasting joy is open to question. Motor vehicles, too, clutter our towns and cities, yet without them our economy would come virtually to a standstill. There are countless other examples.

The question cannot be evaded, even by organizations dedicated to utility. In this group is Ontario Hydro.

It is possible that many people do not recognize the efforts Hydro has made in balancing the scale. On one side it provides electricity, which involves plant and power lines sprinkled across the landscape. On the other, it does everything possible to make sure these do not interfere with nature.

Levels of certain lakes, for example, have been regulated to conserve fish. At one generating station a ramp was installed to prevent deer drowning should they fall into the canal. Since 1932 about 1,600,000 trees have been planted on Hydro property.

But at this time of year, when the countryside looks its best, Hydro has a recurring problem: to keep its power lines free of interference from trees and high brush and at the same time preserve the natural appearance of the neighborhood.

To accomplish this, Hydro uses a chemical herbicide which kills small brush.

The chemicals are harmless to wildlife. A day-old chick would have to eat a ton of grass sprayed with the herbicide before it would even get sick. Thousands of people in Ontario use similar herbicides to rid their lawns of weeds.

Hydro has chosen the most economical method of clearing its rights-of-way. Its foresters estimate it would cost four times as much to cut, and cutting is an annual problem. On average, spraying is only necessary every three years.

Spraying does not destroy the beauty of the countryside for long. Flowers and low-growing plants quickly return. Grass isn't affected. The after-effect presents the pleasing appearance of meadowland.

Clearance, paradoxically, eventually enhances the mantle of nature. The rights-of-way offer a vast tonnage of varied forage for animals, and low-growing foliage supports an insect population which in turn provides food for birds and wildlife. An important side effect is that they provide fire breaks in our forests.

The natural heritage of the people of Ontario is vital. So is electricity. Hydro, with its motto: "The gifts of nature are for the people", is doing its best to even the balance between the two.

Township of Stanhope 1963 Auditors Report

To the Ratepayers, Reeve and Council
of the Township of Stanhope.

We have audited the books and records of your Municipality for the year ending December 31, 1963 and have prepared the attached statements.

Our examination included a detailed check of all banking transactions, a review of accounting procedures followed by the Municipality and the verification of arrears of taxes, as well as the verification of the current tax roll as to assessment and taxes charged thereon. We comment on the statements as follows:

CAPITAL AND LOAN FUND BALANCE SHEET

General Fixed Assets — \$5,100.00

No change has been made in the valuation of the general fixed assets of the Municipality.

Due from Schools - Public — \$134.37

This represents the amount to be raised by taxation on the taxpayers who, previous to January 1, 1959, were in the Minden Township School Area. This amount represents the unmatured debenture debt on debentures issued by Anson, Hindon and Minden.

Due from Schools - Continuation and High — \$53,285.17

Stanhope's share of the debenture debt charges on this particular debenture for 1963 was \$6,706.48.

REVENUE FUND BALANCE SHEET

Cash in Bank — \$6,736.68

This amount was verified by direct confirmation with the Bank concerned. All banking transactions for the year were audited. The above balance has been adjusted to reflect the outstanding cheques at December 31, 1963.

Due from Province of Ontario — \$10,312.28

This is the estimated balance of the 1963 provincial road subsidy and winter works program.

Due from Other Municipalities — \$1,235.70

This balance represents an amount due from Minden for their share of expenditures incurred by Stanhope.

Taxes Receivable — \$16,828.99

This amount represents taxes and interest unpaid at December 31, 1963 on 1963 and prior taxes. All unpaid taxes for 1962 and prior, as well as a portion of the 1963 taxes unpaid, were verified by direct confirmation from the taxpayers.

Accounts Payable — \$354.42

This amount represents hydro and telephone arrears collected and unpaid at December 31, 1963.

Due to Schools — \$8,000.00

This amount represents the balance unpaid on the Stanhope School Area requisition at December 31, 1963.

Deferred Revenue — \$1,067.16

This amount represents an overlevy for school purposes of \$946.29 and an overlevy for county purposes of \$120.87. These amounts should be taken into consideration in striking the rates for 1964.

Reserve for Working Funds — \$7,000.00

The reserve for working funds was increased by \$1,000.00 in 1963 by a charge against revenue.

Surplus — \$17,792.07

The results of operations for 1963 show a surplus of \$9,999.27 after bringing into revenue the 1962 surplus of \$7,289.37 and adjusting surplus for the Sec. 53's of 1962.

We hereby report that in our opinion:

- (1) The financial transactions which have come under our notice have been within the powers of the Municipality.
- (2) The audit has been conducted in accordance with the instructions of the Department of Municipal Affairs.
- (3) The financial statements present fairly the financial position of the Municipality as at December 31, 1963 and the results of its operations for the year ended on that date.

CARNARVON

Mr. Amos Miscio and Mr. Al Miscio of Hamilton were home for a few days last week.

Another Maple Syrup season has drawn to a close and pails are gathered and away for another year.

The Carnarvon Church Bowling League met on Thursday evening at Valley Hi for their end of season banquet. After dinner presentations of trophies were made to Velda Harrison's Hootenannys for high team in play-offs with 8570; Muriel Medley's Flappers for high team of the year with 43 points. Each member of both teams received individual prizes. High Average went to Anne Will's with 194; high triple to Anne McKay with 749; and high single to Velda Harrison with 315. Amid great hilarity the low team received the Mama Skunk and six baby skunks. First class entertainment followed with a visit from such famous personalities as "The Beables", "The Beverley Hillbillies" complete with critters and the "Singing Swinging Five".

John F. Kennedy Branch H.D.A.R.C.

During the regular Wednesday afternoon meeting of the John F. Kennedy Branch of the Haliburton District Association for Retarded Children it was decided that we will sponsor a child in the Hospital School at Smith Falls. Many of the small patients there have no family or relations. Anyone interested may sponsor a child for \$10.00 per year. This sum provides a birthday party complete with cake and presents for the child and his or her friends.

The ladies also sent \$25.00 to the H.D.A.R.C. to help them in their worthwhile work.

Patients at the local hospital early this week were Mrs. Tenyson, James Taylor and Leslie Armstrong. Mr. Len Gainer was in hospital but was able to return home; Mrs. Les Alton was in Haliburton hospital with a new baby boy.

Winners at the month Rod and Gun Draw were Floyd Hall \$25.00, Harry Bates \$15.00 and Jean Newell \$10.00.

Sympathy of the community to the family and friends of the late William H. Hewitt whose funeral was Monday.

A large number of students from Haliburton District High School could be seen on Barrie's Teen Time Saturday night.

Mr. and Mrs. Charles Walker and family of Oshawa visited in the village over the week-end.

Mrs. Garnet Lytle was presented with a Life Membership in the W.A. at the morning service at St. Paul's Anglican Church last Sunday.

Sunday guests with the Angus Coulters were Mr. and Mrs. Leslie Coulter and boys of Kirkfield.

The Thursday Bowling League had a party last Wednesday afternoon with winners of first games Jean Hewitt, Roberta Walker and Vera Ward and second games Eleanor Hall, Blanche Johnston, and Gwen Cameron on hidden scores.

At the W.I. Card Party at the Fred Wrights last Monday winners were: for cribbage Dora Dawson and Garnet Snell; for euchre Mrs. McArthur and Norman Taylor with Tom Harrison taking the lone hand prize. A delicious lunch was served by the ladies and social half hour was enjoyed by all.

Mr. and Mrs. Wayne Anderson and family visited his parents, the Roy Andersons at Peterborough over the week-end.

Mr. and Mrs. Don Crowe and family visited Mr. and Mrs. Basil Cox at Peterborough over the week-end.

Medley's Ladies Leagues Bowling Play-offs

Medley's Ladies League bowling play-offs were held April 14, 1964. These play-offs are for total pin-fall in three games.

1st place for Medley Trophy was Velda Harrison's team with 2966. Players: Velda Harrison, Flo Redman, Edythe Russell, Doris Thompson, Laura Mole, Donna Hicks.

2nd place for Joyce Trophy was Germaine Plourde's team with 2754. Players: Germaine Plourde, Annie Jones, Peggy Henderson, Carol Titus, Gwen Cameron and Lillian Howe.

3rd place for Mae Prentice Trophy - Muriel Medley's team

with 2718. Players: Muriel Medley, Anne McKay, Doris Redner, Elsie Bursey, Mary Redner, Olive McKnight.

4th place - Anne Wills with 2652. Players: Anne Wills, Mable Russell, Mary Packard, Iris Adamson, Martha Robinson, Clara Miscoe.

5th place - Kay Barry with 2637. Players: Kay Barry, Budie Stevens, Lynda Morrison, Marg Horsley, Marion Barry, Marie Wallace.

The ladies enjoyed the afternoon of good sport and would like to thank the Prentices, the Joyces and donors of trophies.

Lindsay Lose Second Game

HESPELER (Staff) — Determined Hespeler Shamrocks Sunday outshot, outthrustled and outplayed Lindsay Lions to win 7-2 before 1,100 fans, and tie the best-of-seven Ontario Junior 'C' hockey championship series at 1-1.

Lions, playing their most disappointing game of the season, were only in the hunt for a brief spell in the second period, but the spark soon fizzled and the Hespeler forwards were allowed lots of room in which to roam in the final period, when they scored four unanswered goals.

Coaches Gus Bodnar and Rags Raglan could offer no explanation for Lions' dismal display. "They just had no desire. I couldn't get them roused at all. They seemed to have no interest in the game," said Bodnar.

Manager Mel Cunningham called the third period display by Lions "atrocious".

WORKOUT ORDERED

Right after the game Bodnar ordered a two hour workout for Tuesday at the Lindsay arena. He promised the boys the workout would be a strenuous one.

Laverne Mille notched three goals and David Tucker and Thomas Graham score two each for Hespeler. Ronald Pillsworth and Wayne McLeish scored for Lindsay.

Robert Taylor and Rick Purdy were the stars of a poor Lions' squad.

Goalie Wayne Jackett turned in an excellent display, and but for him the score might easily have been doubled. Time and again the goalie was left with no protection, and three of the Hespeler goals came when forwards were allowed to roam in on a Jackett and beat him while defenders stood looking on.

Hespeler held a 2-0 lead at the end of the first period and they led 3-2 entering the final stanza.

Thursday Bowling Party

The ladies of the Anglican Bowling League enjoyed a dinner at the Parish Hall last Thursday. Presentations were made to High Team of the year composed of Vera Taylor, Marg Lonsberry, Carol McKelvey, Nellie King, Mamie Kellar and Flo Hewitt, and to High Team of the play-offs Lorna Stubbs, Flo Booth, Marg Garner, Ila Lytle, Bea Harrison and Carrie Jones. This latter team won second in Church League Play-offs. Other winners were: high average Marg Lonsberry; high triple 611, Vera Kernohan; and high single 307, Phyllis Campbell. The new executive is: President - Vera Kernohan, Vice-President - Flo Booth, Secretary - Mamie Kellar, Treasurer - Jean Hewitt and captains Carol McKelvey, Gwen Cameron, Roberta Walker, Bea Harrison, Eleanor Hall and Wynn Lahay.

After the presentations the ladies enjoyed card games with winners: for cribbage Bea Harrison and Maxine Stevens; for euchre Mrs. Walker and Marg Garner, with Mae McArthur lone hand. Alice Pogue also was lucky winner of door prize.

Local Sport Briefs

The Minden Curling Club will take their ice out very shortly.

The Haliburton County Softball League is expected to swing back into operation again this summer.

The West Guilford Annual Minor Hockey League banquet was held on Friday night last.

The Men's division of the

Haliburton Curling Club were unable to hold their meeting on Saturday night last, but it will be held in the very near future.

The Minden Curling Club have just recently finished their play-offs.

Lindsay Junior Lions hockey club are still packing them in at the Lindsay Arena.

SORRY...
we have to interrupt
your electrical service

We don't want to keep you in the dark and we regret the inconvenience, but...so that we can work safely on the electricity supply system in your area it will be necessary to interrupt service on:

SUNDAY, APRIL 26TH

Between 6 a.m. and 8 a.m.

Weather Permitting

Customers will be affected in the Village of Haliburton, Tory Hill, Wilberforce, Gooderham, Eagle Lake, West Guilford, Cranberry Lake, Pine Lake, Grass Lake, Haliburton Lake, Redstone and Kennis Lake.

Scholarships And Bursaries

Haliburton County
District High School

BURSARY

General Conditions

The bursary is to be awarded on the recommendation of the Scholarship Committee and subject to approval of the Board, to a deserving student of Grade 13 who is proceeding to further education at Teachers' College, Technical Institute, Nurses' Training School or University.

Academic Requirements

(a) The candidate must obtain standing in a minimum of nine papers in Grade 13, all of which must be obtained in the same year.

(b) A minimum percentage of 66% on the nine papers must be obtained.

Financial Conditions

The bursary will be awarded to the student who fulfills the above requirements and who, on the basis of financial need and academic standing, is considered to be most deserving by the committee.

Amount

The amount of the award shall be \$500 per year.

Withholding of the Award

If, in any year, there is no suitable candidate the award may be withheld for that year.

Application

Application forms are available at the Haliburton County District High School office.

DOMINION-PROVINCIAL STUDENT-AID BURSARIES — TYPE A

Classes and Values of Bursaries

The classes and value of Bursaries shall be as follows: (a) University (First Year) (except as in (b)) — \$500.00; (b) University, Co-operative Engineering Course, Waterloo University (First Year) — \$300.00; (c) Ontario Teachers' College (One Year Course) — \$250.00; (d) Provincial Technical Institute (First Year) — \$300.00; (e) Grade 13 (General Course) — \$100.00.

Academic Requirements

For a University (First Year) Type A Bursary, an applicant shall obtain pass standing and an average of at least 66% on all eight papers of the Grade 13 examinations including English Composition and English Literature but not including Problems. The applicant shall obtain pass standing in at least four

papers in the year his application is made.

For a Teachers' College other than the University of Ottawa Teachers' College (one-year course) Type A Bursary an applicant shall obtain pass standing and an average of at least 66% on eight papers of the Grade 13 examinations including English Composition and English Literature but not including Problems. For the Elementary-School Teachers' Certificate Course at the University of Ottawa Teachers' College, the eight papers shall include English Composition and English Literature, and French Literature or Special French Composition. The applicant shall obtain pass standing in at least four of the papers in the year his application is made.

For a Provincial Technical or Polytechnical Institute (First Year) Type A Bursary, an applicant shall obtain pass standing and an average of at least 66% on the subjects required for a Secondary School Graduation Diploma or the equivalent as approved by the institute concerned.

For a Grade 13 Type A Bursary, an applicant shall obtain pass standing and an average of at least 66% on the obligatory and optional subjects of any course leading to a Secondary School Graduation Diploma. The applicant shall obtain pass standing in at least four of the subjects in the year his application is made.

ROTARY CLUB OF MINDEN STUDENT LOAN FUND

Regulations relating to applications:

1. The object of this Fund is to provide a source of available funds for Secondary School graduates residing within the Territorial Limits of the Rotary Club of Minden who wish to continue their education.

2. The Territorial Limits of the Rotary Club of Minden are defined as: Minden Village and north to the northern boundary of the Township of Sherborne; south to the Haliburton County boundary; and west to Haliburton County boundary.

3. Applications for the original loan must be made on or before August the first, of the year following completion of the applicant's Secondary School course.

4. A student may borrow up to a maximum of \$800 in the first year, and up to \$600 in

the following years, or a maximum of \$2,600 for the entire course.

5. Applications for loans will be brought before the Trustees of the Rotary Club of Minden Student Loan Fund not later than August the first, and is to be accompanied by the Secondary School Principal's Confidential Report, which is to be submitted on a form provided by the Trustees for that purpose.

6. Applications are to be sent to the Principal of the applicant's Secondary School, or the Trustees of the Fund, and the first application must be accompanied by two character references.

7. The Trustees' decision regarding the application will be made when final examination results are available, but in any case not later than Sept. 10, and the Trustees' decision will be final.

8. Further information may be obtained by writing to the Secretary of Minden Rotary Club, Minden, Ontario.

HALIBURTON COUNTY OLD BOYS' EDUCATIONAL FOUNDATION

The following is an outline of the Regulations:

1. The object of this foundation is to provide a source of available funds for the Secondary School graduates of the Provisional County of Haliburton who wish to continue their education.

2. Application for the original loan must be made on or before August first of the year following completion of the applicant's Secondary School course.

3. A student may borrow up to a maximum of \$800 in the first year and up to \$600 in each of the following years, or a maximum of \$2,600 for his entire course.

4. Applications will be brought before the Foundation board not later than the 31st of August. Each original application is to be accompanied by the Secondary School Principal's Confidential Report which is to be submitted on a form provided by the Foundation board for that purpose.

5. Applications are to be sent to the Principal of the applicant's Secondary School or to the Secretary of the Foundation. The first application must be accompanied by two character references.

6. The board's decision regarding the application will be made when final examination results are available, but in any event not later than September 10. The board's decision will be final.

7. Interest of one per cent per annum will be charged while the borrower is completing his course. This rate will be raised to two per cent per annum as soon as the borrower completes or discontinues his course, and is repaying the debt according to the following schedule:
1st year after discontinuance

of course at least \$300; 2nd year after discontinuance of course at least \$300; 3rd year after discontinuance of course at least \$500; 4th year after discontinuance of course at least \$500; 5th year after discontinuance of course at least \$500; 6th year after discontinuance of course at least \$500.

Any loan of less than \$300 is to be paid in full within a year after discontinuance of the course. Interest at the rate of five per cent per annum will be added to any debt not paid in accordance with the preceding schedule.

8. The applicant and his parent or guardian, or some other responsible party satisfactory to the board must give the Foundation Board notes to cover all loans made to him.

9. Each loan must be covered by insurance payable to the Foundation. The cost of such insurance may be added to the amount borrowed, and the Foundation is to be the beneficiary of the policy until the

loan is repaid in full. Insurance on the borrower's life which is already in force when a loan is obtained may be assigned to the Foundation board for the purpose stated above.

10. It is suggested that the student consider giving a donation of ten percent of the total amount of his loan in the year following repayment of the loan to assist the Foundation in its work.

CORRECTION

On the Eastern Star Scholarship the annual award is \$150.00 not \$200.00 as printed.

ALL CLASSES OF INSURANCE INCLUDING LIFE

Notice To The Electorate Of Municipality Of Dysart et al

Notice is hereby given by the Municipal Council of the Municipality of Dysart et al that a by-law has been passed authorizing the submission of a proposed by-law to obtain the assent of the qualified electors of the Municipality of Dysart et al to the said proposed by-law.

The proposed by-law will authorize the construction of an Arena and Community Hall on Block C, Town Plot of Haliburton in the Municipality of Dysart et al for the sum of One Hundred and Ten Thousand Dollars (\$110,000.00) and will authorize the raising of the funds by the issue of debentures for the sum of \$44,700.00 in favour of the Province of Ontario Municipal Works Assistance Act 1963.

Notice is hereby given pursuant to the by-law that the vote on the proposed by-law shall be taken by the Deputy Returning Officers and Poll Clerks appointed for that purpose, on the 2nd day of May 1964, from 10:00 o'clock in the forenoon until 6:00 in the afternoon. The place for taking the votes and the poll clerks appointed for this purpose are as follows:

WARD I

Polling Subdivision 1A and 1B — Polling Place - Can. Legion Hall
DRO - Clifford Kellett
Poll Clerk - Dora Iles

WARD II

Polling Subdivision 1C and 1D — Polling Place - Can. Legion Hall
DRO - Richard Clarke
Poll Clerk - Gloria Nimigon

Polling Subdivision No. 3 — Polling Place - Com. Centre, Harcourt
DRO - Amos Hawley
Poll Clerk - Mrs. Harry Hughey

Polling Subdivision No. 4 — Polling Place - Com. Centre, Donald
DRO - Mrs. Violet Fader
Poll Clerk - Mrs. Mae Francis

Polling Subdivision No. 2 — Polling Place - Or. Hall, West Guilford
DRO - Lawrence Morrison
Poll Clerk - Mrs. Sid Sisson

Polling Subdivision No. 5 — Polling Place - Pub. School, Eagle Lake
DRO - Carl Wallace
Poll Clerk - Thos. Mungham

And further take notice that the Clerk has appointed the 1st day of May 1964, at the Municipal Office, Haliburton for appointing two persons to attend at the final summing up of the votes by him and one person to attend at each polling subdivision on behalf of the persons interested in and desirous of answering the said question in the affirmative, and a like number of the persons interested in answering the question in the negative, respectively.

And further take notice that the Clerk will attend at the Municipal Office, Haliburton, on the 4th day of May 1964 at 2:00 o'clock in the afternoon for the final summing up of the votes.

Notice is further given that the question to be submitted on the above shall be as follows:

"Are you in favour of a by-law to authorize the construction of an Arena and Community Hall on Block C, Town Plot of Haliburton, for the sum of \$110,000.00 a portion of which in the amount of \$44,700.00 is to be raised by the issue of Debentures in favour of the Province of Ontario Municipal Works Assistance Act 1963?"

The proposed by-law is as follows:

MUNICIPALITY OF DYSART ET AL BY-LAW NO. 64-9

Being a by-law to authorize the construction of an Arena and Community Hall on Block C, Town Plot of Haliburton in the Municipality of Dysart et al.

WHEREAS the Corporation of the Municipality of Dysart et al has agreed to construct an Arena and Community Hall within the limits of the Village of Haliburton for the sum of ONE HUNDRED AND TEN THOUSAND DOLLARS (\$110,000.00).

AND WHEREAS, it will be necessary to raise the funds necessary to pay for the construction of the same by the issue of debentures on the credit of the Municipality of Dysart et al in the amount of \$44,700.00 payable over a twenty-five year term.

AND WHEREAS it is deemed expedient that the cost of the project shall be paid by the issue of debentures as aforesaid repayable in annual instalments as equal as may be in each year over a period of twenty-five years at a rate of interest not to exceed 5 3/8% per annum.

NOW THEREFORE the Municipal Council of the Municipality of Dysart et al enacts as follows:

1. The Council of the Municipality of Dysart et al does hereby authorize the construction of an Arena and Community Hall for the sum of ONE HUNDRED AND TEN THOUSAND DOLLARS (\$110,000.00).

2. The Clerk-Treasurer may, subject to the authorization of Council arrange with the Bank of Montreal in Haliburton for a temporary advance or advances of money to pay for the construction of said Arena and Community Hall.

3. Debentures shall be issued by the Corporation of the Municipality of Dysart et al in the amount of \$44,700.00 and shall be repaid in annual instalments of principal and interest (at a rate not to exceed 5 3/8%) combined over a period of twenty-five years and shall be as nearly as possible equal in each year. The said debentures shall be issued on the credit of the Corporation of the Municipality of Dysart et al at large.

4. This by-law shall come into force and shall take effect upon the final passing thereof after the same has been approved by the Ontario Municipal Board.

READ A FIRST AND SECOND TIME ROY BROHM, Reeve
THIS 13TH DAY OF APRIL 1964 WAYNE B. WOOD, Clerk

And further take notice that if an affirmative answer is given to the said question by the majority of ballots cast the by-law will be taken into consideration by the Council of the Municipality of Dysart et al after the expiration of one month from the first publication of notice, the 16th day of April 1964.

And notice is further given that a covenanted tenant whose lease extends for twenty-one years and who has covenanted to pay municipal taxes on his property and who desires to vote on the said by-law must file a statutory declaration with the Clerk at least ten days prior to the date of voting.

Dated this 13th day of April 1964.

WAYNE B. WOOD, Clerk.

I, Wayne B. Wood, hereby certify that the above notice contains a true copy of the By-Law to be voted upon by the electors of the Municipality of Dysart et al qualified to vote on money by-laws on the 2nd day of May 1964.

Dated this 13th day of April 1964.

WAYNE B. WOOD, Clerk.

Gooderham Personals

(Intended for Last Week)

A very pretty wedding was solemnized in the Gooderham United Church on Saturday, March 28, 1964 at 7 p.m. when Shirley Belle MacDuff, daughter of Mr. and Mrs. Frederick MacDuff was united in marriage to Neil James Dennison, son of Mr. and Mrs. Charles Dennison of Waterdown.

Rev. Petrie of Haliburton officiated. He was assisted by Mr. K. McAllister. Mrs. Robert Fotheringham played the wedding music.

Given away by her brother Glen, she was becoming in a floor length gown of nylon lace and net. The long sleeved bodice of lace was daintily trimmed with cup sequins and pearls. Her headdress was a crystal-like pointed halo of pearls, holding a net shoulder length veil in place. She carried a bouquet of red roses and lily of the valley and a bow with ribbon stream-

ers tipped with tiny red roses.

The maid of honour was Mrs. James Dewey, cousin of the bride. The bridesmaid was Miss Joyce King of Oshawa. Both were similarly dressed in white organza with taffeta underskirt, the bodice of net with sheer nylon cummerbund. They carried red roses and lily of the valley. Their hats were filmy white organza petals circled on rayon.

Mr. James Dewey assisted the groom.

The ushers were Mr. Douglas MacDuff of Gooderham and Mr. sterling Mather of Wilberforce.

A reception and wedding supper was held in the Haliburton Canadian Legion Hall. Music was supplied by a local orchestra.

The mother of the bride received in a green brocade dress with beige accessories and pink roses. The groom's mother wore turquoise with white accessories

and white and pink rose corsage.

The bride travelled in a pink suit with blue accessories and spent a honeymoon in Haliburton Highlands.

Out of town guests included Mr. and Mrs. Glen MacDuff of Binghamton, New York; Mr. and Mrs. Dawson MacDuff of Scarborough; Mr. Ross MacDuff of Kapuskasing; Mr. and Mrs. Don Reed of Oshawa; Mr. and Mrs. Allan Kernohan of Newcastle.

The happy couple will reside at 597 Grieson Road, Oshawa, and have the best wishes of the community.

* * *

Mr. and Mrs. Parsons (nee Mary Graham) and daughters Brenda and Ann of Peterborough visited Mrs. Graham and son Moss.

On the sick list is Mrs. Alex Riel who will soon have reached her 88th birthday. Recently visitors at their home were Mrs. Hannah Merten from Florida, Mr. and Mrs. Leonard Riel of Farfar, Mrs. Cane (Celia) of Toronto, Mrs. Rodney Walker (Mary) of Ottawa, Alex Jr. of Peterborough and Mrs. W. Switzer (Alberta) of Gooderham. Mr. and Mrs. Riel will be married 64 years in June. Her many friends wish her a speedy recovery.

* * *

The U.C.W. of the United Church met at the home of Mrs. J. E. Pickens on Wednesday afternoon with a good attendance. Call to worship was given by the president. Hymns were sung. Prayer offered.

Mrs. Fotheringham read two minutes. Roll call was answered by a poem. In the absence of Mr. McAllister, a new topic was chosen, namely "The Christian in the Community" which was given by Mrs. G. W. Barr. Plans were made to hold a turkey supper on Friday, April 24.

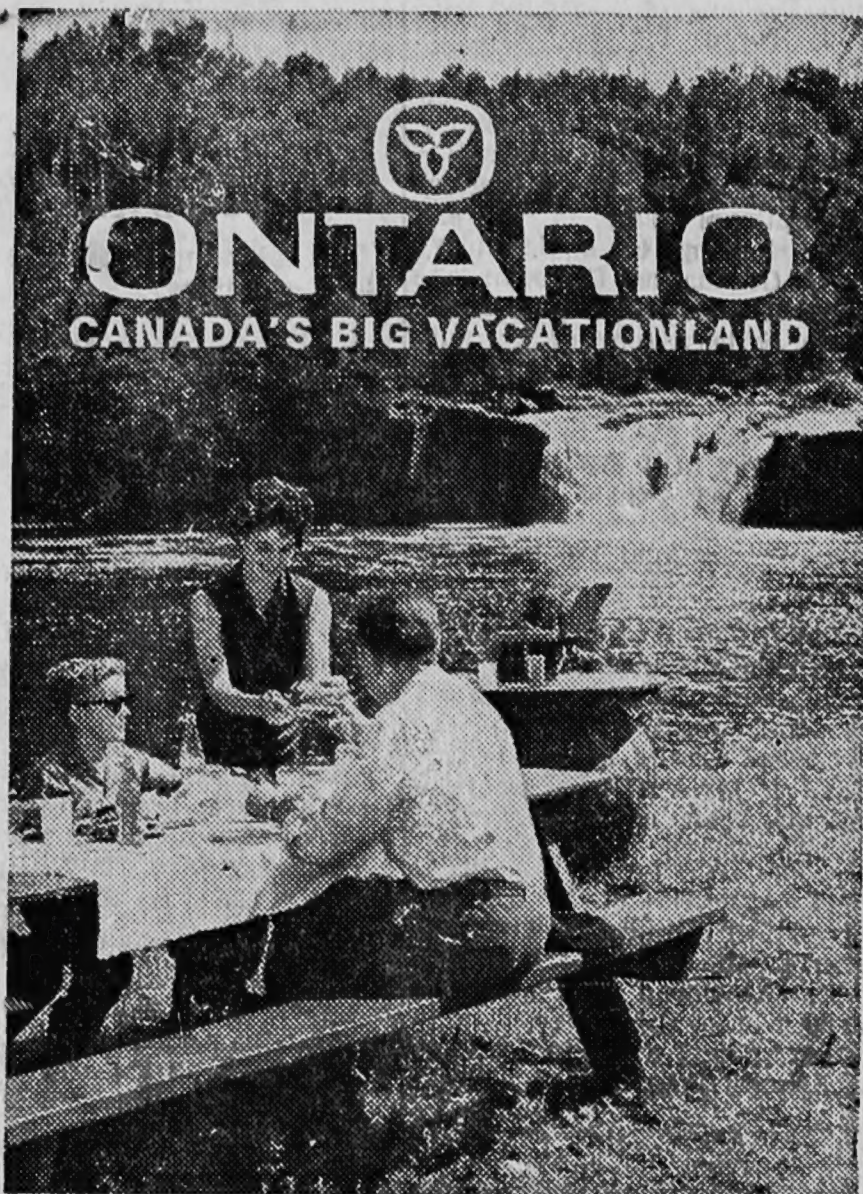

Next meeting will be held at Mrs. Barr's in May. Refreshments were served.

* * *

A quilting was held at the home of Mrs. Ronald Hunter on Thursday afternoon. A small quilt was completed by the workers. Lunch was served.

Mrs. Reuben Switzer has returned from Lindsay Hospital.

The Young People motored to Norland on Friday evening for their church service and quiz.

Ontario has all the bigness, all the variety for one of the most exciting vacations of your life.

Ontario covers 415,000 square miles, packed with fascinating things to see. Like old castles and cathedrals, art galleries, and long sandy beaches, red-coated Mounties and magnificent wilderness, cannons and charming side-walk cafes.

Your Ontario is a stirring, exciting place. Take this summer to explore.

For more information write, Ontario Department of Travel, Room 270, Parliament Bldgs., Toronto, Ontario.

HONOURABLE JAMES AULD,
Minister

MUNICIPAL ACT, R.S.O. 1960, Chapter 249, Section 260

(Persons qualified to vote on money by-laws)

(1) The persons qualified to vote on a money by-law are those entitled to vote at an election with the following exceptions:

- (a) tenants, other than those mentioned in subsection 4;
- (b) farmers' sons;
- (c) farmers' daughter or farmers' sister;
- (d) a person who is a municipal elector by reason of being the wife or husband of the person rated or entitled to be rated for land as provided by clause d or e of subsection 1 of section 37.

(Nominee of corporation)

(2) The nominee of a corporation assessed upon the last revised assessment roll of the municipality which, if it had been a male person, would have been entitled to have been entered on the voters' list from which the list of voters mentioned in section 261 is to be prepared or in the case provided for by section 82 would, had it been a male person, have been entitled to be entered on such list of voters is also qualified to vote.

(Where corporation assessed for residential property owned on a co-operative basis)

(3) Where a corporation is assessed as owner of residential property consisting of units or apartments that are owned on a co-operative basis, the corporation may nominate a person to vote on money by-laws for each unit or apartment separately assessed on the last revised assessment roll.

(Qualification of tenants)

(4) A tenant whose lease extends for the time for which the debt or liability is to be created or in which the money to be raised by the proposed by-law is payable, or for at least twenty-one years, and who has by the lease covenanted to pay all municipal taxes in respect of the property other than local improvement rates, if he makes and files with the clerk, not later than the tenth day before the day appointed for taking the vote, a declaration under the Canada Evidence Act (R.S.C. 1952, c. 307) so stating, is entitled to have his name entered on the list of voters prepared by the clerk under section 261.

(Appointment of nominee of corporation to be filed with clerk)

(5) Where a corporation entitled to appoint a nominee to vote on its behalf desires to vote on a money by-law, it shall, not later than the tenth day before the day appointed for taking the vote, file with the clerk of the municipality an appointment in writing of a person to vote as its nominee and on its behalf, and the name of every such nominee shall be included in the list. R.S.O. 1960, c. 249, s. 260.

MAPLE LAKE
PERSONALS

Mr. and Mrs. John Morrison and Perry spent a week-end in Oshawa and Bowmanville with relatives.

Mrs. Gladys Peck was hostess at a quilting she held in the Gospel Chapel last Wednesday.

"Get Well Wishes" are extended to Miss Isabelle Gibbs who is under the Doctor's care.

Well, the ice left Maple Lake late Sunday night, April 19. Snow flurries followed on Monday.

On Thursday last a convoy of Army trucks and jeeps toured our district stopping to refuel near Highway 35 and North Shore Road in the Sisson gravel pit. Quite a sight and noise.

Several from Maple Lake attended the shower in the Gospel Chapel last Tuesday night in honour of Wanda Bain's coming wedding.

HALIBURTON

Mr. and Mrs. Robert McFadden and Mrs. Mary Lany of Toronto called on Mr. and Mrs. Charlie Morrison on Sunday.

Mr. and Mrs. Arthur Morrison and Larry spent Saturday night with Mr. and Mrs. Gordon Sawyers at Hawk Lake.

We are glad to welcome Aunt Rose again our midst.

Mr. and Mrs. Frank Bright and Miss Lou Bright were in the cottage for the week-end. Also Al and Bob Parker in their cottage.

We are happy to hear Mr. Cliff Whittaker is able to return home again.

Several in the community attended the funeral on Monday of the late William Hewitt.

Happy birthday greetings to one of our older folks, Mrs. Annie Fountain and all others in the district.

Have you travelled the North Shore Road lately? The improvements on the road is appreciated, but we are disappointed in the trash being left in the ditches, as this is a tourist travelled route. Also many folks have cleaned up the road and shore lines to beautify. I suggest this be gathered up for fill as there is an undermining hole near the Fountain cottage, which needs this fill.

The Fire Season is on again, secure a permit before you light a grass fire. There are several in Stanhope ready to issue these permits. Let's keep Stanhope green.

The maple syrup season was not a very good year. Owners of bushes report only half a crop.

Mr. and Mrs. Samuel DeMill are both in Lindsay hospital and have undergone surgery.

Mr. Howard Thompson Sr. is visiting in Lindsay.

The Cost Is
Very Moderate

2 years at Hospital for Sick Children, Birmingham, England.

Post-Graduate Training: Lecturer in the Department of Pharmacology, Medical School, University of Western Ontario.

Letters To Editor

(Continued from Page One)

2. The method of raising the money was objected to by a group of business men from Ward 2 and also by a representation from the Ratepayers' Association of Ward 3. Both suggested a 5 point method of raising the necessary money. (1) Public Donations (to gauge the interest). (2) Government Grants. (3) Electric Light Fund (4) Local Improvement. (5) No more than 10% from Municipal Funds (examples - Monmouth, Harcourt and Bancroft Community Centres).

3. The third objection is that we asked for the old Arena building for West Guilford, and our answer was given when it was put up for Tender, any scrap dealer can now submit a bid.

4. My fourth objection was that the Community Centres Board should not have the power to sell a Municipal asset of any kind.

And finally the amount of \$110,000 is only about half the amount needed for the proposed project. According to a statement from the Treasurer of the Kingston C.A. League, they built a new outdoor artificial ice arena, including a two story front for dressing rooms, ice plant, booth and committee room upstairs, at a cost of \$125,000 and a further \$100,000 is required now to enclose the ice surface in a steel or aluminum building. Perhaps the time is now ripe for the town to incorporate, and then decide on such a venture, before these long term debentures are issued against all three Wards.

Thanking you sir, for your kind offer of space in your newspaper. I remain, Yours very truly, JAMES B. COOPER.
